DEDICATION

IN THE BACKGROUND of every great undertaking there is some one, who in his own quiet way, through sacrifices and efforts unknown to others, has made possible the realization of a dream. More than a quarter of a century ago a man had a vision for the youth of this area which culminated in the establishment of Newton County Agricultural High School. Fifteen years later this same man, realizing the opportunities for wider service of such an institution, turned his efforts towards the establishment of a junior college in connection with the Agricultural High School. Today East Central Junior College stands as the embodiment of his dreams and efforts, offering to its students a program of rich cultural development. That man is Mr. W. C. Mabry, who has been chairman of the Board of Trustees of these two institutions continuously for the past twenty-five years.

As an evidence of our deep love and respect for him and of our appreciation of his untiring efforts in our behalf, we dedicate to him this

HISTORY

In the fall of 1928 a small group of students—twenty in number—enrolled at East Central Junior College, then known as Newton County Agricultural High School, and pledged their faith in the junior college movement then in its infancy in Mississippi.

Beginning with small equipment—no laboratory, no library, not even classroom facilities—with nothing, in fact, except the sheer will to hold on, this band of faithful students and two college teachers bore the travail of that first year out of which came East Central Junior College. Though only ten years old, it now takes its place with other great junior colleges of the state, fully equipped, and with an enrollment that has increased from the faithful "twenty" and a faculty of two teachers to more than four hundred students and a faculty numbering twenty-three.

East Central Junior College builded on Faith, serving the most worthy area in the State of Mississippi, looks out on a new day and the Spirit of the school says:

"On to victory;
True we'll ever be;
Steadfast and loyal to our E. C. J. C."

HISTORY

Echoes from Our Homecoming---

Just twenty-five years ago, I entered Newton County A. H. S, as a freshman of the high school. This was the first year of the school's existence, and as I think of those years spent here with my class, happy memories flood my mind.

On any Homecoming Day, we think not only of the academic training and social experiences we had while in school, but of the service to society that may have been rendered by our Alma Mater--be it high school or college, and in our case it is both. During the first ten years of the life of this Agricultural High School, hundreds of boys and girls from the rural area of Newton County and other counties had the privilege of enrolling and graduating--many of whom could not have attended any other high school. The junior college, of which we are so proud, is now enabling numbers of young men and women to get two years of excellent college work for less than half of the amount it would cost them at any senior college. No wonder you and I glory in the high quality of literary, social, and moral work the high school and junior college have done during the first quarter of a century of their lives.

May you and I support this institution even more energetically in the years to come than we have in the past, and may it continue to grow and to set the pace for all agricultural high schools and junior colleges in the State of Mississippi.

Girls' Vesper

IN APPRECIATION OF MY DORMITORY FRIENDS

Dormitory girls, as from Decatur I go,
I'll take your faces to keep away woe;
I'll take your smiles
And your wiles
Your sweetness
Your neatness
Your youth to refresh me in a world of sorrow--
I'll hold you fast in my memories tomorrow.

In many other faces, though strange they may be,
Your grace will be reflected, your likeness I'll see--
For wide be the area that my footsteps may roam,
I'll cherish my friends in our dormitory home!

ALMA MATER

Dear Alma Mater, we sing thy praise,
In sweet remembrance of our college days,
Comrades and teachers, friends so true,
We give our love to you--
Long may we cherish the days spent with thee,
Happy days of dreams, work and play so carefree--
Deep in our hearts rests your memories true
Here's all our love to you.

I SHALL PASS THROUGH THIS WORLD BUT ONCE

Any good therefore that I can do or any kindness that I can show to any human being, let me do it now.

Let me not defer or neglect it, for I shall not pass this way again.
